CSU-Ready Fall 2015
Concurrent Enrollment Registration Request

We are delighted that you have chosen to take advantage of the concurrent enrollment option offered through your high school. This program allows you to take Colorado State University (CSU) classes for college credit while you are still enrolled in high school. What a great way to get a jump start on your higher education!

Called CSU-Ready, the concurrent enrollment option is just that - an option for you to get ready to attend the university. As such, you are required to submit information to Colorado State University and register for classes in the same way regularly admitted students do. There are five steps in this process; those marked with an asterisk must be completed each semester you intend to enroll in CSU courses through concurrent enrollment:

- Step 1: Complete the Enrollment Request Form (this packet)*
- Step 2: Create your eID (electronic Identity)
- Step 3: Complete Registration Ready*
- Step 4: Apply for and authorize COF (Colorado Opportunity Fund)
- Step 5: Register for classes*

This enrollment request form serves as a request to register for classes through the CSU-Ready program established with your high school. The form contains several sections, some of which need to be completed by the student and parent, others need to be completed by an official in the school district. Be sure all sections are complete and contain the appropriate signature(s).

Once your enrollment request form is received and processed by the Office of Admissions at Colorado State University, we will contact you via email so that you can continue with steps 2-5 for registration.

Please type or print legibly in ink. Be sure to answer ALL questions and sign this form. It is imperative that you provide a valid email address and that you check that address for messages from Colorado State. Please add Colorado State University to your safe senders list.

DEADLINES:
The Enrollment Request Form (Step 1) should be submitted to the high school administrator at your school by August 17, 2015 and no later than August 21, 2015 so that they may be submitted to the CSU Office of Admissions on time. Forms received after September 9, 2015 at Colorado State University will not be processed.

The remaining steps (2 - 5) must be completed by September 9, 2015. Requests for late registrations in the CSU-Ready program will NOT be processed.
