

TRANSFER COURSE EQUIVALENCY RE-EVALUATION

Students may request a re-evaluation of their transfer courses, if they believe the content warrants a different CSU course equivalency than the one provided through the initial course evaluation. In order for a re-evaluation to occur the transfer coursework must be processed and coded on the students Degree Audit via the Registrar's Office.

Prior to filling out this form you need to contact your Degree Analyst in the Registrar's Office.

They will discuss your situation and determine if a re-evaluation is possible without having to fill out the form.

If it is determined the Academic Department need to evaluate the course, you will then be required to fill out this form and take it to the teaching department.

The CSU Teaching Department head or designee will review the form and course description/syllabi to determine if the course equivalency should be changed.

Test Credit cannot be reconsidered for a change in equivalency. "Re-Evaluation or appeal of this decision (the equivalents or credit hours assigned) is not applicable as it is the final determination of department how an equivalency for an exam will apply." The policy can be found by going to the [CSU Catalog](#), section 1.3 in located under **The College Board Advanced Placement Program** title.

The signed and completed form should be returned to:
