COLORADO STATE UNIVERSITY

Office of the Registrar
Division of Enrollment and Access
Centennial Hall
1063 Campus Delivery
Fort Collins, Colorado 80523-1063

To Whom it May Concern,

Colorado State University does not verify enrollment for a student until after the term for which they are registered begins. Enrollment verification requests are referred to the National Student Clearinghouse for completion at that time.

For verification of registration before the term begins, the student prints their schedule through RAMweb, the student's CSU portal. This schedule, when accompanied by this letter, is considered by Colorado State University to be official verification of registration.
